AMUSEMENTS.

Minstrels.
 The New Memphis Theater opens tomorrow night with Wilson and Backus' Minstrel Company. They appear Monday, Tuesday and Wednesday nights and Wednesday matinee. The sale of seats has been very good. The company is said to be excellent, the Pavanella and Poluski brothers being especially attractive features.

 Michael Strogoff will follow the minstrels at the Memphis Theater, beginning on Thursday evening and finishing the week. The production is that of Charles H. Andrews, who, three years ago, brought the play to all its rights from Haverly and Colville, and who has, by lavish manner, and by the introduction of a minstrel carnival infused an interest into the already powerful Russian play which won both fame and fortune for him last season. Michael Strogoff will be seen here this week, with complete and entire new scenery in every act, with new, rich and expensive costumes, with several new and remarkable strong specialties, and with a powerful company.

GET MONEY!

A Dollar Is a Dollar, Whether Saved or Earned.

How to Have Cash!

Letting In a Little Light on the Subject of Lucre.

A dollar saved is a dollar earned. It is not what a man earns that makes him wealthy. It is what he saves. It is easier to spend money than it is to earn it. Therefore, when you spend it see that you get full value for it.

Clothing is a necessity of life. We have to dress. The laws of civilization demand it. Clothing costs money, and the MISFIT CLOTHING PARLORS, No. 262 Second Street, will give you more for your money than you can obtain elsewhere.

Why Misfits Are the Cheapest.

1. BECAUSE you are sure of getting good cloth.
2. BECAUSE tailor garments are always well made.
3. BECAUSE you get the best of clothing for less than half its actual value.
4. BECAUSE, although they are called "MISFITS," you get better fits than you can find among ready-made clothing.
5. BECAUSE you really gain what the tailors lose.
6. BECAUSE you get clothing that was made to bring double what you pay for it.
7. BECAUSE you are always certain of getting full value for your money.
8. BECAUSE MISFITS are really the cheapest.

Our New Goods.

The MISFIT CLOTHING PARLORS are now displaying hundreds of Fine Suits.

We have the finest assortment of Pants in Memphis.

We show a nice line of beautiful Fall Overcoats.

Our strong point is that we get clothing very low, and are therefore able to sell it very low. We give you the Best Clothing for the Least Money.

PLUMBING, GAS AND STEAM-FITTING AND SUPPLIES.

J. W. X. Browne, No. 254 Second Street.

The already large and constantly increasing demand for thorough and sanitary plumbing has necessitated the carrying of large stocks of supplies in the latest and most approved styles of bath tubs, wash-basins, water closets, traps, cocks, valves, etc., as well as the employment of a large force of the most skilled and reliable workmen, in order to execute promptly the orders for this work, and "Browne the Plumber," is prepared to fully supply the wants of the city and surrounding country. It is not necessary, or even profitable, to go elsewhere for plumbing work, or for the lines in which Browne is engaged—that is the furnishing of gas and steam pipes, cocks, valves, inspectors, steam pumps, fittings and engine fittings for the country and city trade—which is carried in large quantities and all sizes, from six inch pipe and fittings down to the smallest sizes, and in order to fill the orders of the jobbing trade as well as mills and factories promptly and in the best manner, Mr. Browne has recently added steam power to his establishment with capacity for cutting and threading pipes from the smallest size up to and including eight inches in diameter, which is equal to the capacity of any house in the West or South.

In the gas fixture line the largest stock and most varied selection of newest designs are to be found here, and at prices as low as in the Eastern markets. It may be proper to say here that this house is now the oldest and most successful in this line in the city of Memphis, and it will prove to the interest of all to place their orders with J. W. X. Browne, 254 Second street.
